1. The reply filed on 1/13/10 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the newly added limitations are within the punctuations "(...)". Since the words within the punctuation "(...)" do not afford any meaning to the claims, the newly amended claims are broader than the previous set of claims. If applicant wants to keep the amended claims as they were filed on 1/13/10, a first action final will be issued. If applicant wants to truly amend the claims from the previous set of claims, applicant should define the limitation explicitly. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
